## CONDITIONS OF SALE

Prices F. O. B. Prairie View, Illinois. Packing charges are in addition to cost of plants. No charge for packing car lot orders in bulk. All shipments at purchaser's risk.

Orders are accepted subject to prior orders, crop conditions, and to delay or injury to our nursery stock due to strikes, accidents, fire, floods, hail, etc.

We exercise the utmost care to have all stock true to name and will, upon proper proof, make adjustment for any claim. We will not be liable for any sum greater than the original amount paid for such item. We cannot assume any warranty as to productiveness after transplanting.

These prices are all for the trade only and in no case will they be allowed to retail customers. When writing, please use letterhead stationery.

TERMS ARE CASH and to those who have established credit with us—net 30 days. C.O.D. orders must be accompanied by ONE-FOURTH CASH. Credit of 30 days net may be established with us by security or satisfactory reference.

This list cancels all previous lists and may be subject to change without notice.

## QUANTITY RATES

1 to 9 plants of one variety .....	Single rate
10 to 49 plants of one variety .....	10 rate
50 to 249 plants of one variety .....	100 rate
250 or more plants of one variety .....	1000 rate

This list does not cover all varieties or sizes for plants we grow. Most of the items are available in quantity lots at greatly reduced prices. Write for other items not listed. We reserve the right to withdraw this special price at any time without notice.

## LOCATION

Nursery is located on Highway 22, 1½ miles West of Route 21 at Half Day and ½ mile East of Route 83. Approximately 30 miles North of Chicago.

SEE INSIDE OF BACK COVER FOR BALLING  
AND BOXING CHARGES.

## **WHY YOU GET THE BEST- WHEN YOU BUY FROM US!**

Our trees, shrubs, evergreens, etc, are grown for high-class landscape work in order to give an immediate effect when set out.

Our plants are grown on fertile soil and well-spaced in rows. All our nursery stock is well fertilized periodically in order to get the best color in the plants and at the same time keep them in the healthiest condition.

Our plants are given individual attention in the proper shearing so as to put them in the best possible balanced symmetrical shape and to give them the most compact bodies possible.

Our nursery stock is many times transplanted, giving them the chance to develop the fine, fibrous root system, so necessarily needed in order to move these plants with ease and safety.

Weeds are constantly being eliminated and the ground kept moist by constant cultivation by horse, by machinery and by hand hoeing.

Spraying is done, when needed to rid the plants of any insect pests.

Therefore, we take great pride in saying that we grow some of the best specimen stock to be found anywhere in this section of the country.

When you are in the vicinity, drop in at our Nursery and let us show you our nursery stock.
